**Embracing and Driving Powerful Positive Change in Your Business**

Michael Levin is President and CEO of Custom Solutions. He has launched and built numerous companies into multi-million dollar entities in a wide variety of industries.

Embracing Change is about how to not only get your employees to embrace change but actually lead and drive that change. Michael will share why change is so difficult for companies to create and why change that does occur so frequently becomes “Flavor of the Month.” Attendees will learn the three stages that must occur to create not only change that is embraced but change that is sustained.
