
The grand opening of the expo will be held at 12:30 p.m. on Friday, March 28, and the hall will remain open until 5 p.m. The show is open again the next day from 10 a.m. until 3 p.m. As always, the show will include booths from all major manufacturers and suppliers serving the wall and ceiling industry.

To comply with an AWCI board of directors policy to actively support those companies exhibiting at the exposition, the following list of exhibitors is printed for your information. It is based on data provided by exhibitors who reserved their booth and submitted their listing before Jan. 10, 2003. Because of publication deadlines, all exhibitors may not be included. Complete information on all the companies exhibiting at AWCI’s Expo: Construction Directions 2003 will be available in the exhibit hall.

Please note: Boxed listings are advertisers in this issue of AWCI’s Construction Dimensions.

Booth 206

Booth 826
Plymouth Foam Incorporated
1000 South Drive
PO Box 407
Plymouth, WI 53073
Phone: (920) 893-0335
Fax: (920) 892-4986
E-mail: jimn@plymouthfoam.com or karnr@plymouthfoam.com
Web Site: www.plymouthfoam.com
Plymouth foam introduces Gold-Wall, an insulating system for the interior of masonry walls. Gold-Wall is a replacement for Z-furring systems. Gold-Wall eliminates the thermal bridging inherent in Z-furring systems, providing higher system R-values and eliminates the "fogging" effect on the drywall caused by thermal bridging.
