SOUND UP!
A Look Up to Acoustical Ceilings

By Steven Ferry: Here’s a look at acoustical-ceiling jobs that are a cut above the rest, either because they presented unusual challenges or because they looked spectacular when they were finished.

34 Exhibitor Directory Take a look at who’s coming to the largest industry show.

69 Potty Break By Pat Carrasco: Our author was instrumental in making bathroom facilities available on job sites in Montana. All you have to do is nag, nag, nag.

72 Money Matters By Abe Waking-Bear Sanchez: Ways to manage your accounts receivable so that you know when the money is coming in
