

Who's Who at AWCI

The Industry Executive Committee and Board of Directors— Leaders For the Coming Business Year

Because AWCI will be establishing a new publishing schedule for its annual WHO'S WHO IN THE WALL AND CEILING INDUSTRY—which will not be published again until July, 1983—the annual listing of the association's leadership is being presented in this month's edition of CONSTRUCTION DIMENSIONS. The regular schedule for publishing an annual membership directory will be resumed next July.

The Executive Committee of the AWCI is composed of elected officers and the Immediate Past President, as well as the Chairman of the Continuing Study Council who serves in an ex officio capacity. The Executive Committee functions for the Board of Directors between meetings of the Board of Directors. Members of the Executive Committee are also members of the Board of Directors and hold the same offices on the Board.
