Out in the Field
A photo tribute to hard-working field personnel

Many thanks to Mikel Poellinger of Poellinger’s Inc., Lacrosse, Wisc., to Mark Keenan and Debbie Curtis of Keenan, Hopkins, Schmidt & Stowell Contractors in Orlando, Fla., and to Jim Cassidy of Cassidy Brothers Inc., Rosemont, Ill. From here through page 37, you’ll find that the field personnel of these AWCI members, who provided us with some of these photos, represent all the hard work that takes place on the job site ... and sometimes they have a little fun, too.

(Note: These photos may not be representative of current industry safety standards due to the logistics involved in photography.)
