Wall & Ceiling Panels  GLASBORD® | VARIETEX® | DESIGNS

frp Fiberglass Reinforced Panels
why FRP? Where FRP?

**style + hygiene**

When you need grace under pressure, fiberglass reinforced plastic (FRP) panels are the perfect choice for your walls. From moisture and germs to daily dirt and grime, our FRP panels are able to stand up to even the toughest environments - without sacrificing style and beauty.

As the first and largest global manufacturer of FRP wall paneling, Crane Composites offers the industry’s most innovative and resilient FRP panels, backed by our expert technical and installation support staff. Our FRP panels are suitable for most any commercial space and provide key benefits including:

**high end style**

Take your surfaces beyond with our wide range of surface types, textures and colors, offering you endless options to create the beautiful look you’ve envisioned for your walls.

**dependable performance**

Count on Crane FRP panels for extremely strong, durable panels that provide resistance to mold, mildew, bacteria growth, stains and chemicals. Plus, they’re easy on your budget and designed to last for years to come.

**simple & cost-effective**

Take it easy, from start to finish. Our FRP panels are simple to install over any existing wall surface and even simpler to maintain with a mild cleanser and sponge or soft brush. Plus, they’re easy on your budget and designed to last for years to come.
All Crane Composites coverings have earned GREENGUARD Certification for low chemical emissions, issued by UL Environment. This certification reflects our dedication to improving the quality of our products, while using low-emitting materials in their construction. The use of Crane Composites products may also contribute to earning LEED® certification.
The Surfaseal film finish, found only on Glasbord, provides a barrier that's highly resistant to impact and scratching. Because of our unique process, the Surfaseal finish will not trap soil or bacteria on the panel. The surface is up to 10 times easier to clean and up to six times more stain resistant than other sanitary wall systems.
A global leading provider of resilient wall and ceiling coverings. Kemlite was established in 1954 and the company changed names to Crane Composites in 2007 to reflect the company’s ongoing new product innovations that continue to expand beyond hygienic wall panels.

**AVAILABLE SIZES:**
4’ x 8’ | 4’ x 10’
(other sizes available upon request)

**THICKNESSES:**
0.09” (embossed) | 0.075” (smooth)

**FIRE RATINGS:**
Class A or Class C per ASTM E-84
CAN/ULC-S102 | FM Approved Available
** see technical data sheets for fire rating information by color options

**ACCESSORIES:**
Standard Polypropylene Moldings
Polyurethane Seam Sealant
Color Rite™ Color-Matched Silicone Caulk

**APPLICATIONS:**
• Commercial Kitchens
• Cleanrooms
• Restrooms
• Convenience Stores
• Locker Rooms
• Food Processing Plants
• Indoor Agricultural Facilities

**FEATURES:**
• Mold + Mildew Free
• Meets USDA/FSIS Requirements
• Restrooms
• Easy to Install
• Cleanable
• Durable

VARIETEX SANDSTONE WALL PANEL
CLASSIC COLLECTION | ALMOND BREEZE (866)

Add depth and dimension to walls, with our unique textures including sandstone, linen, tile and beaded finishes. Beyond the beauty, Varietex offers all the same benefits of traditional FRP wall coverings.
Take your surfaces beyond with a tile like finish on the sandstone and gel-coat panels. The grout lines are sealed for easy maintenance, avoiding the grimy build up encountered with regular tile.

**product specs**

**AVAILABLE SIZES:**
4’ x 8’ | 4’ x 10’

**THICKNESSES:**
0.09” (sandstone + linen) | 0.075” (beaded)

**FIRE RATINGS:**
Class A per ASTM E-84 (sandstone + linen non-satin only)
Class C per ASTM E-84 | CAN/ULC-S102

**see technical data sheets for fire rating information by color options**

**ACCESSORIES:**
Color Rite™ Color-Matched Silicone Caulk
Silhouette Trims Moldings | Aluminum Moldings *
Beaded Panel Moldings

* Silhouette Trims are available for Classic Collection only

**APPLICATIONS:**
• School Hallways
• Cafeterias
• Restrooms
• Dining Rooms
• Reception Areas
• Health Clubs
• Hospitals

**FEATURES:**
• Mold + Mildew Free
• Meets USDA/FSIS Requirements
• Easy to Install
• Cleanable
• Durable

Kemply® + Sanigrid® wall panels with Surfaseal® finish

Kemply is fabricated by laminating Glasbord panel to a rigid substrate. The resulting panel has structural strength and rigidity, allowing installation directly to a stud wall or ceiling. Sanigrid is the ideal solution for high humidity and chemical environment installations. Sanigrid system features a fast installation, with the entire system easily snapping together.
Kemply® laminated wall + ceiling panels

AVAILABLE SIZES:
4’ x 8’ | 4’ x 10’ (wall panels)
23.75” x 23.75” | 23.75” x 47.75” (ceiling panels)

AVAILABLE GLASBORD SKINS:
Glasbord Embossed or Smooth Textures in Class A or Class C Fire Rating per ASTM E-84 (PWI, PIF, PSIF, FX, FSI)

AVAILABLE SUBSTRATES:
- Gypsum: 1/2” | 5/8”
- Plywood: 3/8” | 1/2” | 5/8” | 3/4”
- Oriented Strand Board: 3/8” | 1/2” | 5/8”
- Fluted Polypropylene: 0.32” | 0.40”
- Double-Sided ACP Core: 0.12” | 0.24”

APPLICATIONS:
- Car Washes
- Food Processing Plants
- Refrigerated Warehouses
- Commercial Kitchens
- Laboratories
- Locker Rooms
- Dormitories
- Kennels

FEATURES:
- Mold + Mildew Free
- Meets USDA/FSIS Requirements
- Easy to Install
- Cleanable
- Durable

Sanigrid® ceiling grid system

AVAILABLE SIZES:
2’ x 2’ | 2’ x 4’

FIRE RATING:
Class A Fire Rating per ASTM E-84

AVAILABLE CEILING PANELS:
Glasbord Embossed or Smooth Textures in Class A or Class C Fire Rating per ASTM E-84 (CGI, PSIF, FX) or Kemply ACP Core

APPLICATIONS:
- Car Washes
- Food Processing Plants
- Chemical Processing Plants
- Refrigerated Warehouses
- Commercial Kitchens

FEATURES:
- Mold + Mildew Free
- Ideal for High Humidity
- Resistant to Chemical Environments
- Will Not Rust, Pit, Dent, or Peel

SEAM TREATMENT ACCESSORIES
Crane Composites offers an array of seam treatment options to complete your wall panel installations.

Polypropylene/PVC Moldings
*standard for glasbord + wide for kemply*

Standard moldings are contractor grade moldings that are perfect for use with FRP panels. Crane Composites division bars feature patterned expansion control guides to assist with proper FRP installation. Available in 10’ lengths in Glasbord and Kemply standard colors.

Color Sil Color-Matched Caulk
*for designs, varietex, + glasbord panels | by Color Rite inc.*

Use Color Rite’s Color Sil caulk for professional looking panel installations without the use of moldings. Crane has teamed up with Color Rite to provide materials that compliment Crane wall panels in over 40 colors. Use with Color Rite’s Pre-Tooling Mist to install with ease.

Silhouette Trims
*for designs + varietex panels*

Silhouette Trims offer a narrow profile to minimize the seam. Crane Composites Silhouette Trims feature patterned expansion control guides to assist with proper FRP installation. Available in 10’ lengths in DESIGN and VARIETEX Classic collection.

Beaded Panel Molding
*for varietex beaded panels*

Specially designed beaded division bar to compliment our beaded panels. Available in 10’ lengths in cotton white (1130) color.
Aluminum Trims
for designs + varietex panels

Designed for a contrasting and upscale look. Available in 10' lengths in silver color.

Polyurethane Seam Sealant
for seamless glasbord panels

Seam Sealant sealant is an equal-mix, two-component bright white urethane sealant system used to bond and seal a variety of plastics.

INSTALLATION TOOLS
Our wall panels are easy to install with our tools
who we are
Crane Composites Inc., a subsidiary of Crane Co. (NYSE:CR, is the world’s leading provider of fiber-reinforced composite materials.

The superior option
Since 1954, we have continued to pioneer numerous patented technologies for industrial and commercial product applications. Crane Composites fiber-reinforced panels (FRP) can be found in virtually every type of vertical market, from highly industrialized environments to stylish retail and hospitality settings.

No matter what the application, our products and team reflect our mission statement: we are a performance driven organization committed to global leadership and products of high-quality composite materials.

Customers benefit not only from the outstanding performance characteristics of our products, but also from our extensive support programs. Our expert product teams are focused on the needs of customers to provide unparalleled service and expertise.
