

Your company. Your industry. Your AWCI.

Renewing Your AWCI Membership Investment is Now Easier Than Ever!

Starting with the 2022-2023 membership year, AWCI members may now renew their annual investment online through AWCI's Member Central. Even better, members may choose to set up their annual investment to auto-renew, meaning you won't have to worry about whether or not your AWCI membership is active! Log in to www.awci.org/membercentral using your email address. Issues? Contact Chris Williams, director of membership,, at cwilliams@awci.org for assistance.

Step 2: Review your company information and **Add Selected to Cart.**

If your company info is correct, simply click **"Add to Cart"**, then **"Make Payment"** to proceed to the payment screen.

Need to make changes? No problem—click on your browser's back button, then select **"Company Info"**. If you have the **AWCI-Company Info Admin** badge, you're authorized to make changes to your company information, employee rosters, etc. Don't see that badge in your profile? Contact Chris Williams at cwilliams@awci.org to have it added.

Step 1: After logging in, click on **Company Memberships** in the left-side profile menu.
