\$100 per person

Today we'll spend the day going back in time.

First we travel to The Sixth Floor Museum at Dealey Plaza. This exhibit chronicles the assassination and legacy of President John F. Kennedy; interprets the Dealey Plaza National Historic Landmark District and the John F. Kennedy Memorial Plaza; and presents contemporary culture within the context of presidential history.

Next we head to The George W. Bush Presidential Library and Museum. Serving as a resource for the study of the life and career of George W. Bush, while also promoting a better understanding of the Presidency, American history, and important issues of public policy. The Library and Museum accomplishes its mission by preserving and providing access to artifacts, and producing innovative museum exhibits including a replica of the oval office for a fantastic photo opportunity.
