Excellence in Construction Quality: Steel Framing

AWCI's award recognizes excellence in construction quality in the face of complicated and challenging projects, and is awarded to a team of AWCI members.

Your Company Name

AWCI's Excellence in Construction Quality Awards

Eligibility

The project team consists of the AWCI member contractor(s), manufacturers and suppliers/distributors.

The project must be at least 90% finished within the last 24 months of the application submission.

The project may be commercial or residential (other options are available), and of any size and location.

Only one nomination per company is allowed per award category.

A project may win only one category if nominated in multiple categories.

Scoring

Up to 30 points can be awarded for the project's construction duration in relation to its square footage and project type.

Up to 30 points can be awarded for the project's degree of difficulty and/or unique or creative use of materials.

Up to 30 points can be awarded for the project's design uniqueness.

Up to 10 points can be awarded at the judges' discretion.

Important Information

Visit <https://www.awci.org/about/awards/> to review the most current awards program information.

AWCI Quality Award Section 1 of 5: Project ID Info

Project Name

Project Location

city, state

AWCI Member Contractor

AWCI member contractor who won the contract

Name of Person Submitting this Application

contact name

Submitter's Contact Information: Phone

Submitter's Contact Information: Email

AWCI Quality Award Section 2 of 5: Project Type

Up to 30 points will be awarded based on the project's construction duration in relation to its square footage and project type.

Project Type

Commercial

Education

Healthcare

Hospitality/Lodging

Industrial/Manufacturing

Institutional

Renovation

Residential

Retail

Other

The AWCI member contractor's work **started** on what date?

This date must not be before June 30, 2023.

The AWCI member contractor's work **finished** on what date?

The contractor's work must be completed or 90% completed by June 30, 2025.

AWCI member contractor's total number of **hours** on this project

AWCI member contractor's total number of **weekdays** on this project

Total square footage of the AWCI member contractor's portion of the job

AWCI Quality Award Section 3 of 5: Materials

Materials Used

Up to 30 points will be awarded for the project's degree of difficulty and/or unique or creative use of materials incorporated into the project. *Be sure to scroll to the bottom to make sure you have used every category you can.*

List all the AWCI member manufacturers and suppliers that provided materials for this job. Go to <https://awci.my.site.com/portal/s/searchdirectory?id=a2n8W000002uXpl> to check a company's membership status if you are unsure.

Explain the difficulty and the unique or creative use of materials during construction.

200 words

NOTE: To maintain anonymity during the judging, do NOT include your company's name in any of your essays. Instead use generic terms such as "Our company" or "Company X", etc.

For the materials listed below, enter a zero ("0") if the material/product was not used on your nominated project.

Nonload-bearing studs LF

Nonload-bearing track LF

Load-bearing studs LF

Load-bearing track LF

Trusses LF

Prefab walls sq. ft.

Prefab soffits sq. ft.

Other (optional)

Add a product related to your chosen category (EIFS, Drywall, etc.) and tell us how much of it was used. (Note: The Prefab categories do not have to provide the amount of product used.)

Other (optional)

AWCI Quality Award Section 4 of 5: Unique Design

Explain the incorporation of materials and uniqueness of the project's design.

200 words

NOTE: To maintain anonymity during the judging, do NOT include your company's name in any of your essays. Instead use generic terms such as "Our company" or "Company X", etc.

AWCI Quality Award Section 5 of 5: Why You Should Win

Explain why this project should win this award.

200 words

NOTE: To maintain anonymity during the judging, do NOT include your company's name in any of your essays. Instead use generic terms such as "Our company" or "Company X", etc.

Upload Photos - REQUIRED

Photo Requirements:

- Submit a maximum of 20 color photos per nomination; minimum is 10 photos.
- Submit photos that provide the best documentation of quality construction.
- Accepted formats are JPG and PNG with a resolution of no less than 300 dpi.
- Submit the highest quality photos possible. Photos that are 3MB or larger are more likely to be recognized in AWCI's *Construction Dimensions* magazine.
- Ideal submissions will include:
 - 5-10 photos of the work in progress showing the judges what is going on behind the wall; and
 - 5-10 photos of the finished or nearly finished project.
- Include the Project Name in the file name for each photo.
- Provide a brief description of what is shown in each photo.

Avoid:

- Submitting photos with your company name on equipment, clothing, etc. to maintain anonymity during the judging.
- Submitting photos that include a date/time stamp.

Note:

- Submission of materials grants permission for unrestricted promotional use by AWCI. This includes but is not limited to awards program publicity and publication in association, industry and other media.
